

February 2017

## **CURRICULUM VITAE**

**Frank M. Phillips, M.D.**

Rush University Medical Center  
Midwest Orthopaedics  
1611 W. Harrison Street, Suite 300  
Chicago IL 60612  
Ph: (312) 432-2339  
Fax: (312) 243-8925

### PERSONAL

Date of Birth: August 10, 1960  
Citizenship: United States of America

### EDUCATION

Spine Fellowship, Case Western Reserve University School of Medicine (Henry Bohlman, MD), 1994-1995  
Orthopaedic Residency, The University of Chicago Medical Center, 1989-1994  
Orthopaedic Research Fellowship, The University of Chicago Medical Center, 1988-1989  
Senior House Officer Orthopaedic Surgery, University of Witwatersrand, Johannesburg, South Africa, 1985-1987  
Internship General Surgery/Internal Medicine, University of Witwatersrand, Johannesburg, South Africa, 1984  
Medical School, University of Witwatersrand, Johannesburg, South Africa, MBBCh 1978-1983

### CURRENT POSITION

Director Spine Surgery, Department of Orthopaedic Surgery, Rush University Medical Center  
Professor of Orthopaedic Surgery, Rush University Medical Center  
Co-Director Spine Fellowship, Rush University Medical Center  
Head, Section of Minimally Invasive Spine Surgery, Rush University Medical Center

### PREVIOUS POSITIONS

Medical Director, Spine Center: The University of Chicago  
Spine Fellowship Director, The University of Chicago  
Associate Professor of Surgery, The University of Chicago  
Assistant Professor of Surgery, The University of Chicago

### LICENSURE AND CERTIFICATIONS

Permanent Illinois #036-084396  
Permanent Ohio #66854  
American Board of Orthopaedic Surgery (Certified 1997, Recertified 2007)

### HONORS AND AWARDS

Charles Herndon Residency Research Award of Orthopaedic Research and Education Foundation (1992)  
American Orthopaedic Association - Zimmer Residents Travel Award Winner (1994)

Best Teacher Award, Section of Orthopaedics, The University of Chicago Medical Center (1998)

Outstanding poster Award: North American Spine Society, Annual Meeting, October 2000, New Orleans

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 2

*Intradiscal electrothermal annuloplasty to treat discogenic low back pain: Preliminary results of a multi-center prospective cohort study.*

Outstanding poster Award: North American Spine Society, Annual Meeting, October 2000, New Orleans  
*Early outcomes of the first 1471 consecutive kyphoplasty procedures in the United States for fixation of painful osteopenic vertebral body compression fractures.*

Best Resident Paper: Annual AOA Conference, 2002

*Adenovirus mediated transfer of Sox9 to human degenerative intervertebral disc chondrocytes. (as mentor)*

Best Multispeciality Scientific paper. Society of laparoendoscopic surgeons, 14<sup>th</sup> International Congress, San Diego CA 2005

*L5-S1 Laparoscopic Anterior Interbody Fusion*

Best Research Paper: Spine Arthroplasty Society Annual Meeting, Berlin. 2007

*Initial outcomes following PCM arthroplasty for the treatment of symptomatic cervical spondylosis: Results of a prospective, randomized, multi-center study.*

Best Poster Award: Spine Arthroplasty Society 8<sup>th</sup> Annual Meeting, Miami. May, 2008

*Lower Incidence of Dysphagia with Cervical Arthroplasty compared to ACDF in a Prospective Randomized Clinical Trial.*

Best Paper: North American Spine Society Annual Meeting. Chicago, 2011

*Preclinical study of human allogenic amniotic membrane as a barrier to epidural fibrosis in the early wound of a post laminectomy rat model.*

Best Paper: North American Spine Society Annual Meeting. Chicago, 2011

*Why don't annular defects heal? Does interposed nucleus pulposus prevent healing? An in vivo study.*

Whitecloud Best Paper Award Nominee: International Meeting on Advanced Spine Techniques (IMAST) 20th Annual Meeting. Vancouver, Canada. July 2013

*Phillips FM, Gilder K, Howell KM, Geisler FH, Chaput C, Reah CJ, DeVine JG, McAfee PC. A Prospective, Randomized Clinical Investigation of the PCM Cervical Disc: Five year results from the US IDE study.*

Best Paper; Society for Minimally Invasive Spine Surgery Annual Meeting. Las Vegas November 2013

*Singh K, Nandyala SV, Marquez-Lara A, Fineberg SJ, Oglesby M, Pelton MA, Andersson G, Phillips FM. A perioperative cost analysis comparing single-level minimally invasive and open transforaminal lumbar interbody fusion.*

Selected to *Best Doctors in America* 2003-2015

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 3

Selected Castle Connolly 2003-2015 *Chicago Metro Area Top Doctors*  
Orthopaedics This week: Top 28 Spine Surgeons in the United States (selected by spine surgeon peers)  
20012; 2013

MEMBERSHIPS, APPOINTMENTS

American Academy of Orthopaedic Surgeons  
North American Spine Society  
Orthopaedic Research Society  
International Society for the Study of the Lumbar Spine  
Cervical Spine Research Society  
The Illinois Orthopaedic Society  
Mid-America Orthopaedic Association  
American Orthopaedic Association (AOA) – elected 2002  
International Society for Advanced Spinal Surgery  
Society for Minimally Invasive Spine Surgery  
Adjunct Member, Joint Spine Section, AANS/CNS

*Weiss Memorial Hospital*

Quality Resource Management Committee (1995-2001)  
Director, Orthopaedic Quality Assurance Committee (1995-2001)  
Treasurer, Medical Staff Executive Committee (1999-2001)  
Medical Director Spine Center (2001-2003)

*University Of Chicago*

Institutional Review Board (1997-2000)  
Director Spine Fellowship Program (2000-2003)

*Rush University Medical Center*

Operating Room Committee (2006-2016)  
Conflict of Interest in Research Committee (2008-2010)

*Midwest Orthopaedic Network*

Clinical Integration Committee (2005- 2014)  
Board of Directors (2006 – 2014)

*Spine Technology and Educational Group [501(c)(3)]*

Board of Directors (2007 – present)

*Spine Value Council [501(c)(3)]*

Board of Directors (2009 – present)

Research Project Management Committee, *North American Spine Society* (2000-2003)  
Industry Relations Committee, *International Society for Advanced Spinal Surgery*

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 4

(2006-2009)

Program Committee, Poster Committee Chair, *International Society for Advanced Spinal Surgery Annual Meeting* (2007)

Scientific Program Committee *Cervical Spine Research Society* (2007-2010)

Education Committee, *International Society for Advanced Spinal Surgery* (2007-2009)

President, *Society of Minimally Invasive Spine Surgery (SMISS)* (2007-2008)

Board of Directors, *Society of Minimally Invasive Spine Surgery (SMISS)* (2006-present)

Spine Biologics Research Section Board *North American Spine Society* (2007-2009)

Cervical Spine Research Society: Awards Committee (2013-2016)

Education Committee Chair, *International Society for Advanced Spinal Surgery* (2009-2010)

Overall Program Chair, *International Society for Advanced Spinal Surgery Annual Meeting*, London, 2009

Overall Program Chair, *Cervical Spine Research Society*, Salt Lake City, 2009

Instructional Course Committee Chair, *International Society for Study of Lumbar Spine (ISSLS) 2010*

Federation of Spine Associations (FOSA) Board 2009/2010

Advocacy Committee Chair, *International Society for Advanced Spinal Surgery* (2011-)

Central US Representative: *International Society for Study of Lumbar Spine (ISSLS)* (2013-)

North American Chair, *Society of Minimally Invasive Spine Surgery (SMISS)* (2013-15)

Executive Board, *International Society for Study of Lumbar Spine (ISSLS)* (2013-)

American Board of Orthopaedic Surgery: Recertification Oral Examiner. 2014

Board of Directors, *International Society for Advanced Spinal Surgery (ISASS)* (2015-)

President and Board of Directors, *Society of Lateral Access (SOLAS)* (2015-2017)

Program Chair, *Society of Minimally Invasive Spine Surgery Annual Meeting*. Las Vegas, 2016

Senior Editor: *Advances in Osteoporotic Fracture Management*

Editorial Board: *Journal of Spinal Disorders and Techniques*

Reviewer: *Spine, NEJM, Clinical Orthopaedics and Related Research*

Consultant Reviewer: *Journal of the American Academy of Orthopaedic Surgeons*

Deputy Editor: *International Journal of Spine Surgery*

91. Course Chairman, New Technologies in the Surgical Management of Cervical Spine Pathologies.  
(CME Course)  
Chicago, IL August 2006

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 47

92. *Course Director, 3<sup>rd</sup> Annual meeting: Innovative Technologies in Spine*  
“XLIF minimally invasive fusion”  
“Discus nucleus replacement”  
Los Cabos, Mexico, June 2006
93. *Occipito-Cervical Injuries. 8<sup>th</sup> Annual Chicago Trauma Symposium (CME Course)*  
Chicago, IL, July 2006
94. *Course Chairman: New Technologies in the Surgical Management of Cervical Spine Pathologies. Chicago, IL. September 2006 (CME Course)*
95. *Course Co- Chairman: Complications in Spine Operations.*  
“Complications of total disc replacement”  
Chicago, IL. September 2006 (*CME Course*)
96. *Symposium Lecture: Cervical Disc Arthroplasty*  
North American Spine Society Annual Meeting. Seattle, 2006.
97. *Invited Guest Lecturer. American Association of Neuromuscular and Electrodiagnostic Medicine Annual Meeting*  
“Minimally invasive spine surgery” Washington DC, October 2006
98. *Faculty: Minimally Invasive Surgery of the Spine 2006 (CME Course)*  
San Diego. November 2006
99. *Course Director: Modern Technology in Spine Surgery. AAOS Annual Course (CME).*  
*Minimally Invasive Lumbar Fusion*  
*Occipito-cervical Fixation*  
Rosemont, IL. November 2006
100. *Visiting Professor: William Beaumont Hospital, Royal Oaks, MI*  
Emerging Spinal technologies; A Perfect Storm. November 2006
101. *Faculty: Cervical Spine Research Society, 11<sup>th</sup> Instructional Course*  
Palm Beach, FL November 2006
102. *Faculty: Emerging Technologies Spine Education Summit (CME Course)*  
*Emerging Spinal Technologies*  
Telluride, Colorado, February 2007
103. *American Academy of Orthopaedic Surgeons. Annual Meeting.*  
*Instructional Course: Biologics in Lumbar Spine Fusion*

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 48

San Diego, February 2007

104. Faculty: Current Concepts in Emerging Technologies in Spine (*CME Course*)  
*Dynamic cervical fixation*  
*Cervical Debate*  
Vail, Colorado, February 2007
105. Sixth Annual Symposium on Current Concepts in Spinal Disorders. (*CME Course*)  
*Does fusion predispose to adjacent segment degeneration?*  
*Nucleus Replacement*  
Las Vegas, March 2007
106. Extreme Lateral Approaches. *Minimally Invasive Spinal Surgery Pre-Course (CME Course)*  
Spine Arthroplasty Society Annual Meeting. Berlin. 2007
107. *Course Director*, 4th Annual meeting: *Innovative Technologies in Spine*  
Los Cabos, Mexico, June 2007
108. Faculty, *Minimally Invasive Surgical Solutions Symposium*  
IMAST Annual Meeting, Bahamas. 2007
109. Keynote Speaker; 18<sup>th</sup> Annual Colorado Spine Symposium  
*New Spinal technologies*  
*Update on Cervical Disc Replacement*  
Denver, September 2007
110. Faculty: Stem cells for fusion and disc degeneration. *Biologics for the treatment of spinal disorders Symposium*. North American Spine Society Annual Meeting. Austin, 2007.
111. *Course Director*: Contemporary Techniques in Spine Surgery. AAOS Annual Course (CME). *Minimally Invasive Lateral Approaches* Rosemont, IL. November 2007
112. Invited faculty Cervical Spine Research Society  
Cervical Spondylosis – Role for foraminotomy  
35<sup>th</sup> Annual Meeting, San Francisco, CA November 2007
113. 7th Annual Symposium on Current Concepts in Spinal Disorders. (*CME Course*)  
*Minimally invasive spinal surgery – Fad or Reality?*  
*PCM Cervical disc replacement*  
Las Vegas, February 2008.
114. Faculty: Current Concepts in Emerging Technologies in Spine (*CME Course*)  
*Design considerations and Biomechanics of Lumbar Disc Replacement*

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 49

- Cervical TDR; Now and in Five years*  
*Novel technologies: Who will pay for them?*  
Vail, Colorado, February 2008
115. Instructional Course Lecture: *BMP for spinal fusion: Clinical results.*  
American Academy of Orthopaedic Surgery, Annual Meeting, San Francisco, 2008
116. Specialty Day: Faculty: Debate: *Cervical foraminotomy*  
American Academy of Orthopaedic Surgery, Annual Meeting, San Francisco, 2008
117. Invited Faculty: American Association of Neurologic Surgeons: *Minimally Invasive Spine Instructional Course.* Chicago, April 2008
118. Course Director, *Minimally Invasive Spinal Surgery.* North American Spine Society. Burr-Ridge, IL June 2008.
119. Course Director, 5th Annual meeting: *Innovative Technologies in Spine*  
Los Cabos, Mexico, June 2008
120. Faculty: Contemporary Techniques in Spine Surgery. AAOS Annual Course (CME).  
*Minimally Invasive Lateral Approaches* Rosemont, IL. September, 2008.
121. Faculty: Biologics and Clinical Applications. *Lumbar interbody fusion.*  
North American Spine Society Annual Meeting. Toronto, 2008.
122. Symposium: Update on Biologics and Basic Research  
*Biomechanics of TDR. Review of the current evidence.*  
North American Spine Society Annual Meeting. Toronto, 2008.
123. Faculty: Society of Minimally Invasive Spine Surgery  
Annual Meeting Las Vegas, 2008
124. 8th Annual Symposium on Current Concepts in Spinal Disorders. (CME Course)  
*Minimally invasive spinal surgery*  
*PCM Cervical disc replacement*  
Las Vegas, January 2009.
125. Faculty: Emerging Technologies Spine Education Summit (CME Course)  
*Fate of the facets after TDR*  
Steamboat Springs, Colorado, February 2009
126. Instructional Course Lecture: *Minimally-Invasive Spine Surgery: Interbody Fusion.*

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 50

- American Academy of Orthopaedic Surgery, Annual Meeting, Las Vegas, 2009
127. Preservation of Motion in the Spine. Annual meeting (*CME Course*)  
*Disc Replacement adjacent to fusion*  
*Posterior disc replacement*  
*Complications of disc replacement*  
Ducks Key, Florida. April 2009
  128. Cervical Disc Replacement Symposium  
*What will the future look like?*  
Spine Arthroplasty Society 9<sup>th</sup> Annual Meeting, London, UK. May, 2008.
  129. Faculty, 20<sup>th</sup> Symposium: Pearls and Best practices to enhance your Practice. The Spine Study Group (*CME Course*)  
*Cervical disc replacement update*  
West Palm Beach, FL, May, 2009.
  130. Invited Guest Lecturer. SINCOL (Brazilian Spine Society) Annual Meeting  
*Posterior TDR,*  
*Update on cervical TDR*  
*Update on clinical use of BMPs*  
Rio de Janeiro, Brazil, 2009
  131. *Course Director*, 6th Annual meeting: *Innovative Technologies in Spine*  
Scottsdale, Arizona, June 2009
  132. *Faculty*: Society of Minimally Invasive Spine Surgery, Annual Meeting  
Las Vegas, 2009  
*Defining value in spine care.*
  133. *Faculty*: Contemporary Techniques in Spine Surgery. AAOS Annual Course (*CME*).  
*ACDF vs TDR*  
*Spine surgery in the elderly*  
Rosemont, IL. November, 2009.
  134. Symposium: Defining value in cervical spine care.  
*Value assessment of new technologies.*  
Cervical Spine Research Society, 37<sup>th</sup> Annual Meeting, Salt Lake City 2009
  135. *Faculty*: CSRS 14<sup>th</sup> Instructional Course.  
*The future of cervical TDR*  
Salt Lake City 2009

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 51

136. 8th Annual Symposium on Current Concepts in Spinal Disorders. (*CME Course*)  
*Complications of minimally invasive spine surgery.*  
Las Vegas, February 2010.
137. Instructional Course Faculty. Lecture: *Minimally-Invasive Spine Surgery: Lateral Interbody Fusion.*  
American Academy of Orthopaedic Surgery, Annual Meeting, New Orleans, 2010
138. Specialty Day: Faculty: *Future of cervical TDR*  
American Academy of Orthopaedic Surgery, Annual Meeting, New Orleans, 2010
139. Co-Chair, International Society for Study of Lumbar Spine (*ISSLS*) *Instructional Course*  
*Defining value in spine care*  
*Minimally invasive lumbar fusion*  
*New concepts on biomechanics of motion preservation*  
*Wine is salutary for the spine*  
Buenos Aires, Argentina, March 2010
140. Invited Keynote Speaker, 11<sup>th</sup> Annual South African Spine Society Congress  
*Use of BMPs in spinal surgery*  
*Defining value in spine care*  
*New concepts on biomechanics of motion preservation*  
*Update on cervical disc replacement*  
*Vertebral augmentation: Is there a role post-RCT?*  
Somerset West, South Africa, May 2010
141. Invited Faculty, 3rd Annual International Dubai Spine Masters: Minimally Invasive Course  
(NASS and SMISS)  
*Minimally invasive lumbar decompression*  
*Minimally invasive lateral interbody fusion*  
Dubai, UAE, May 2010
142. *Course Director, 7th Annual meeting: Innovative Technologies in Spine Surgery*  
Los Cabos, Mexico June 2010
143. Symposium: Motion Preservation  
*State of evidence for Cervical TDR*  
North American Spine Society Annual Meeting. Orlando, 2010
144. Faculty: Contemporary Techniques in Spine Surgery. AAOS Annual Course (CME).  
*Debate: ACDF vs Cervical TDR*  
Rosemont, IL. October 2010.

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 52

145. Invited Speaker: *Defining value for new technologies*  
Society of Minimally Invasive Spine Surgery (SMISS) Annual Meeting Las Vegas, 2010
146. Faculty: Evidence and Technology Spine Summit. 7<sup>th</sup> Annual Meeting (*CME Course*)  
*MIS decompression in degenerative spondylolisthesis*  
*Spondylolysis: Evidence for pars repair*  
Park City, Utah, February 2011
147. Instructional Course Faculty. Lecture: *Minimally-Invasive Spine Surgery: Lateral Interbody Fusion.*  
American Academy of Orthopaedic Surgery, Annual Meeting, San Diego, 2011
148. Instructional Course Faculty. Lecture: *Lumbar Spinal Stenosis: Scoliosis Treatment.*  
American Academy of Orthopaedic Surgery, Annual Meeting, San Diego, 2011
149. Specialty Day: Faculty: *Defining value for novel spinal technologies*  
American Academy of Orthopaedic Surgery, Annual Meeting, San Diego, 2011
150. Symposium: Can MIS techniques reduce the number of fusion levels for degenerative scoliosis?  
*International Society for Advanced Spinal Surgery* 11<sup>th</sup> Annual Meeting, Las Vegas. May, 2011
151. *Course Director*, 8th Annual meeting: *Innovative Technologies in Spine Surgery*  
Los Cabos, Mexico June 2011
152. Invited Speaker: Defining Value in Spine Care.  
San Diego City Wide Annual Spine Conference, San Diego. September 2011
153. Symposium: Motion Preservation. *Defining value of novel spine technologies*  
Symposium: Young Spine Surgeon Forum. *Avoiding lawsuits*  
North American Spine Society Annual Meeting. Chicago, 2011
154. Program Director, IEP Spine Fellows Course  
Lecture : Lateral interbody Technique  
South Beach, FL Nov. 2011
155. *Course Director*, 9th Annual meeting: *Innovative Technologies in Spine Surgery*  
Carlsbad June 2012
156. Symposium: Options in cervical motion. *When is multilevel cervical disc replacement appropriate.* International Meeting on Advanced Spine Techniques (IMAST) 19th Annual Meeting. Istanbul, Turkey. July 2012

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 53

157. Symposium : Spondylolisthesis. *MIS latéral is best*. Society for Minimally Invasive Spine Surgery Annual Meeting. Miami, FL September 2012.
158. Symposium: Motion Preservation: What is the evidence and what does the future hold. *Cervical TDR for multi-level spondylosis*. North American Spine Society Annual Meeting. Dallas, 2012
159. Cervical Spine Research Society. Annual Instructional Course *Is cervical disc replacement cost-effective ?* CSRS Annual Meeting. Chicago 2012
160. Invited Speaker: *Current role and indications for interspinous spacers* North American Spine Society Evidence and Technology Summit ; 9th Annual Meeting. Park City 2013
161. Ritchey Lecturer: UCSF Spine Symposium. *Minimally invasive spine surgery for the treatment of painful degenerative conditions and lumbar deformity*. San Francisco. 2013
162. *Course Director, 10th Annual meeting: Innovative Technologies in Spine Surgery* Los Cabos, Mexico June 2013
163. Invited Speaker : European Spine Fellows and Young Surgeon Course. *Minimally invasive lateral approaches. Anterior approach to cervical myelopathy* Paris, France 2013
164. Symposium : Lateral Approaches. *Radiographic outcomes of lateral interbody fusion Cervical Spine : Cervical disc replacement* Society for Minimally Invasive Spine Surgery (SMISS) Annual Meeting. Las Vegas 2013.
165. 12th Annual Cedars Sinai Symposium on Current Concepts in Spinal Disorders. (CME Course) *Are new technologies and MIS Surgery fiscally viable in the coming debate? Stand-alone lateral fusion in deformity* Las Vegas, January 2014
166. Invited Panelist: *Industry marketing strategies and device training*. Forum of Conflict of Interest in Academe: Annual Meeting. Association of American Medical Colleges. Chicago, April 2014
167. Program Director, IEP Spine Fellows Course (CME)  
Lecture: *Cervical TDR*

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 54

- Las Vegas, Nov. 2013
168. Course Director, 11th Annual meeting: *Innovative Technologies in Spine Surgery*  
Los Cabos, Mexico June 2014
169. Faculty: Lumbar Spine Cutting Edge Techniques. AAOS Annual Course (CME).  
*Minimally Invasive Decompression and Lateral Fusion with Percutaneous Posterior Instrumentation.* Rosemont, IL. September 2014.
170. Symposium: Value in spine surgery.  
*Integrated practice units and spine surgery*  
Society for Minimally Invasive Spine Surgery Annual Meeting. Miami November 2014.
171. Program Director, IEP Spine Fellows Course (CME)  
Lecture: *Cervical TDR is the evidence based approach*  
Scottsdale, Nov. 2014
172. 13th Annual Cedars Sinai Symposium on Current Concepts in Spinal Disorders. (CME Course)  
*Minimally invasive spine surgery: Clinical and economic outcomes?*  
*Cervical TDR reduces adjacent segment degeneration*  
Las Vegas, January 2015
173. Instructional Course: Lumbar Spine Research Society Annual Meeting (CME Course)  
Degenerative Scoliosis: MIS Surgery  
Chicago, April 2015
174. ISASS Annual Meeting.  
Symposium. *Kyphosis correction: Anterior-lateral release.*  
San Diego May 2015.
175. Faculty : NASS Complication Avoidance and Management in Minimally invasive Spine Surgery.(CME Course)  
*Overview of lateral surgery. Complex lateral surgery*  
Chicago, May 2015
176. Course Director, 11th Annual meeting: *Innovative Technologies in Spine Surgery*  
Los Cabos, Mexico June 2015
178. Society for Minimally Invasive Spine Surgery (SMISS) Annual Meeting.  
What does the data show for MISS for spinal deformity  
Las Vegas November 2015
179. Society for Minimally Invasive Spine Surgery (SMISS) Annual Meeting

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 55

- Evaluating MISS in terms of value-based health care.  
Las Vegas November 2015
180. 9th New York City Minimally Invasive Spine and Navigation Course  
Minimally invasive spine surgery for complex deformity.  
New York December 2015
181. American Academy of Orthopaedic Surgery (AAOS) Specialty Day  
Kyphosis correction: Anterior lateral release.  
Orlando, FL March 5, 2016
182. Joint Section on Disorders of the Spine and Peripheral Nerves (American Association of Neurosurgeons (AANS) and Congress of Neurosurgeons (CNS) Annual Meeting  
*Lateral access MIS surgery : Do the benefits outweigh the risks ?*  
*L4-5 LLIF : Is it safe and reproducible.*  
Orlando, FL March, 2016
183. Lumbar Spine Research Society (LSRS) Annual Meeting  
Invited Speaker. Lateral interbody fusion for degenerative spondylolisthesis  
Chicago, IL April 2016
184. Keynote Speaker : Israel Spine Society, 17th Annual Meeting  
*Cervical TDR – Is it better than fusion ?*  
*Lateral Interbody Fusion ; Lessons learned and advanced techniques.*  
Eilat, Israel May 2016
185. Keynote Speaker : North Carolina Spine Society, Annual Meeting  
*Innovation and Value in Medicine*  
*MIS Approaches to Spinal Deformity*  
Cary, N. Carolina August 2016
186. Society for Minimally Invasive Spine Surgery (SMISS) Annual Meeting.  
Symposia: Mini-ALIF  
Las Vegas October 2016
187. Invited faculty. Spine: Base to Summit  
*Lumbar DDD: Best technique includes TLIF*  
*In my practice, in degenerative cases, here's my rationale for when to use interbody support*  
*L5-S1 DDD pain, or L5-S1 facet pain, or SI joint pain: How to differentiate between the three entities?*  
Beaver Creek. February 2017
188. Donald Chang Inaugural Lecture. University of Virginia, Department of Orthopaedics..

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 56

*Innovation and Value in Medicine*  
*History and future of minimally invasive spine surgery*  
Charlottesville June 2017

199. Course Director, 12th Annual meeting: *Innovative Technologies in Spine Surgery*  
Los Cabos, Mexico June 2015
200. Keynote Speaker: Deformity Down Under : Annual Meeting  
*Innovation and Value in Medicine*  
*Cervical disc replacement.*  
*MIS Approaches to Spinal Deformity*  
Sydney Australia, August 2017
201. Keynote Speaker : Hong Kong Orthopaedic Association. 37th Annual Congress  
*Biomechanics and kinematics of Cervical TDR*  
*Cervical TDR : Where we are today*  
*Minimally invasive spine surgery*  
*Use of minimally invasive techniques for deformity correction.*  
Hong Kong. November 2017
202. Harry Fang Visiting Professor in the Department of Orthopaedics, The University of Hong Kong.  
*Innovation and value in spine care*  
*Minimally invasive surgery for spinal deformity*  
Hong Kong. November 2017
203. Lumbar Spine Research Society (LSRS) Annual Meeting  
Symposium : Out-patient lumbar spine Surgery  
*Anesthesia, pain control and enhanced recovery strategies*  
Chicago. April 2018

**FUNDED RESEARCH ACTIVITIES**

Effects of bFGF, TGF- $\beta$ , IGF-I, and insulin on osteoarthritic human articular cartilage explants

Principle Investigator: Frank Phillips, MD

\$15 000. Orthopaedic Research and Education Foundation Resident Research Grant (1991)

A prospective, randomized, multi-institutional study comparing pedicle screw fixation to threaded interbody cages in the management of degenerative spondylolisthesis

Principle Investigator: Frank Phillips, MD

\$27 000. Surgical Dynamics (1996)

The biology of intervertebral disc degeneration adjacent to lumbar fusion in a rabbit model

**FRANK M. PHILLIPS, M.D.**

Curriculum Vitae

Page 57

Principle Investigator: Frank Phillips, MD  
\$25 000. The University of Chicago, Dept. of Surgery Research Grant (1998)

Use of gene therapy to treat intervertebral disc degeneration.  
Principle Investigator: Frank Phillips, MD  
\$25 000. The University of Chicago, Dept. of Surgery Research Grant (2002)

Sox9-mediated Gene Therapy in a Degenerative Disc Model  
Principle Investigator: Frank Phillips, MD  
\$50 000. North American Spine Society Research Grant (2002/03)

BMP-transduced Mesenchymal Stem Cells for Spine Fusion  
Collaborator: Frank Phillips, MD  
\$50 000. North American Spine Society Research Grant (2002/03)

Biomechanics of Cement Augmentation for Osteoporotic Vertebral Fractures.  
Co-Investigator: Frank Phillips  
\$600 000 Department of Veterans Affairs, Grant #A3173R (2003)

The role of the spinal cord in modulating discogenic low-back-pain. ,  
Co-Investigator: Frank Phillips  
\$100,000 Rush University Special Funding Award on Spinal Cord Research (2003/4)

The role of cytokines in discogenic low-back-pain.  
Co-Investigator: Frank Phillips  
\$100,000, Stryker Biotech, Inc. 2004-2005

The role of the endplate fracture in the pathogenesis of intervertebral disc degeneration.  
Co-Investigator: Frank Phillips  
\$50,000, Zimmer Spine (2005)

Cell Based Gene Therapy to Promote Regeneration of the Intervertebral Disc in the Rabbit  
Co-Principal Investigator  
\$30 000 Cervical Spine Research Society (2006)

Biomechanics of Total Disc Replacement for the Cervical Spine  
Role: Co-Investigator  
Granting Agency: *Department of Veterans Affairs*  
\$925,000/4 years: 2010-2014

Spinal Value Council.  
Co-Principal Investigator  
\$48 000 Orthopaedic Research and Education Foundation Research Grant Scientific Forum/Spine Care

Grant (2011)
